

We believe

'There's no place like home'

Our years of experience support this and we offer the following services.

Personal Care

Includes washing, bathing, showering, hair washing, toileting & shaving.

Help at Home

Shopping, cleaning, ironing, cooking

Palliative Care

Caring for terminally ill clients.

Respite Care

Looking after the person requiring care, giving the main carer a chance to relax.

Night Service

A care service that takes place throughout the night, enabling the main carer to have a peaceful night. This is a unique service offered in the Kendal and Windermere areas.

Wellbeing Care

Trips out for the day, hospital visits, gardening with you, cooking with you, day trips and assistance with your hobbies.

Responding to Emergencies

We have a new team of experienced carers who respond to a call when the 'Care line' alarm is pressed.

Reliable & Trustworthy Care

We thoroughly check the background of our Carers, including a C.R.B. (Criminal Record Check) and references. As their employer, we take care of all aspects of pay, taxation, national insurance, benefits, and holiday pay, so you have nothing to worry about.

Professional Home Care

Care You can Trust

At Cumbria View

We understand that there may come a time when you need help in order to preserve and maintain your independence at home.

It is important to choose the right care when needed, for both clients and their families.

We know just how important it is for you to be reassured and supported professionally with dedicated and well trained carers.

That's why our quality of care, our dependability & our accountability have earned us an enviable professional reputation.

Why Choose us?

Cumbria View Care has been established for over 20 years and is on the approved list of Care Providers for both Lancashire and Cumbria Social Services.

The Managers and Carers provide a professional care service and have been graded as 'excellent' by The Care Quality Commission. More information about this can be found by logging onto: www.cqc.org.uk and following the links.

We Value Our Clients

As a company, we place great emphasis on valuing each client individually and planning your care around your needs. Our Carers are there to support you with the right help and assistance, when it is required.

Your Care and Happiness are at the forefront of everything we do...

Our Special Staff

All our staff members make a significant personal contribution to realising the Company's vision of providing the best quality of care, with professional skill and compassion.

Person Centred Care

All our carers are trained to be person centred and considerate to the needs and dignity of all of our clients, therefore empowering them to remain independent in their own homes.

Our Services Help

- Elderly & Infirm People
- Families & Dependants
- People Returning from Hospital

- Adults of all ages with Physical Disabilities

Our Assurance to You

Our Standards

We provide carers who receive comprehensive, thorough and on-going training to the highest standards from our Training Manager. Only the most dedicated people are chosen to join our specialised teams.

We continually monitor all aspects of our staff and service to ensure that we are meeting and exceeding your needs.

How to Get Help

It's easy to access our services, just contact us at your nearest branch office. You will find our contact details on the back of this leaflet.

What Happens Next?

An experienced Registered Care Manager will arrange to come to your home, in confidence to discuss your individual needs and special requirements, at a time to suit you.

What Does it Cost?

The Manager will give you guidance on our affordable charges and review the care provisions at regular intervals to ensure that you receive the best care for your needs.

You Can Rest Assured

If your circumstances change, as time goes by, your care plan will be assessed and adjusted to give you the best care for any of your future needs too.
